Certified Energy Manager Training from Ameren Illinois

The Ameren Illinois Energy Efficiency Program is partnering with the Association of Energy Engineers (AEE) Central Illinois Chapter to host Certified Energy Manager (CEM) training. Since its inception in 1981, the Certified Energy Manager credential has become widely accepted as a measure of professional accomplishment within the energy management field.

This training seminar offers you a great value compared to similar programs across the Midwest.

The registration fee for the seminar includes:

- » Cost of the CEM application
- » Textbook and workbook
- » Four days of instruction
- » Lunch and snacks each day of training
- » Four-hour written, open-book exam
- » Free parking
- » 1-yr. membership in the AEECI chapter
